Are caring the Sick to an extent never before known of any Medicine. INVALIDS, READ AND JUDGE FOR YOURSELVES

JULES HAUEL, Esq., the well known perfumer, of Chestmu street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am imppy to say of your Carnavic Prizz, that I have found them a better family medicine for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them and evinched with me in pelinving that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only officensial but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Charcellus WARDLAW, writes from

public, when they are known."

The venerable Charceller WARDLAW, writes from Baltimore, 15th April, 1854:

"Dr. J. C. Avas.—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Billous headarble, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make modicines which care, and I feel it a pleasure to sommend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Baltroad Co., says:

Go, says:

"Pa. R. Offer, Philadelphia, Dec. 12, 1853.

"Bir: I take pleasure in adding my testimony to the afficacy of your madria; benefit from the use of both your Pertoral and Cathartic Pills. I am never without them in my family, nor shall I saver consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your Carmanure Prize in my practice, I confif from experience, that they are an invaluable purgalive. In cases of discretered functions of the liver, causing headache, indigestion, cosityeness, and the great variety of discases that follow, they are a surer remedy than any other. In all cases where a purgative remedy the required, I confidently recommend these Fills to the public, as superior to any other I have ever found. They gre sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your Carry Pectoral as the host Cough medicine in the world, and these Fills are in an wise inferior to that admirable preparation for the freatment of diseases."

"Action, Ale., Ale., 25, 1853.

"Da J. C. Avan-Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' Itial, and an untold of amount of suffering, have been completely cared in a few weeks by your Fills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered, and how long.

efter twenty years' trial, and an untold of amount of suffering, have been completely cirred in a few weeks by your Pills. With what feelings of rejoicing I write, can only be inagined when you realize what I have suffered, and how hong.

"Never until now have I been free from this loathsome diseases in zone shape. At times it attacked my eyes, and made me almost blind, besides the unequirable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly baid all my days; sometimes it came out in my face, and kept it for months a raw some.

"About nine weeks ago I commenced taking your Catharite Fills, and mow an antirely free from the complaint. By eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude. Yours, &c.,

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE,

Overseer of the Portsmouth Manufacturing Co."

CAPT. JOEL PRATT, of the ship Marion, writes from Beston, 20th April, 1854:

"Your Fills have cured me from a bilious attack which arrose from derangement of the Liver, which had become very serious. I last failed of any relief by my Thysician.

"Your Pills have cured me from a bilious attack which arese from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from overy remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for werms, with the best effects. They were promptly cured. I recommended them to a friend for contiveness, which had troubled him for months; he told me in a few days they had circed him. You make the best medicine in the world, and I am free to say so."

Bead this from the distinguished Solicitor of the Suprema Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"New Orleans, 5th April, 1254.

"Sir: I have great satisfaction in assuring you that my self and family have been very much benefited by your medicines. My wife was cured two years since, of a severe and dangtrous cough, by your Cranary Perconat, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Induenza and Croup by it. It is an invaluable remedy for these complaints. Your Carnary Pills have entirely cured me from a dyspensia and continenss, which has grown upon me for some years,—indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindfall of it. Your respectfully. our family, and you may well suppose we are not unmindful of it. Yours respectfully.

LEAVITT THAXTER."

"Senate Chember, "Disc. April 5th, 1854.
"Dr. J. C. Arrae—Honored Sir: I have made a thorough trial of the Carsaarre Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first does re-lieved me, and a few subsequent does have entirely semoved the disease. I feel in better health now than for some years before, which I stribute entirely to the effects of your Carmantic Pills. Yours with great respect, LUCIUS B. METCALF."
